Conflicts of Interest

The Firm may receive shared revenues, fees, and/or payments from Third Parties (i.e., clearing firms, market makers, research vendors and tools, etc.) which could create an incentive to offer certain products or services.

Understanding Risk

The Firm does not provide tax, legal or accounting advice. Accordingly, we encourage each customer to consult their own personal tax, legal and/or accounting advisers in order to understand the potential consequences associated with a particular investment strategy.

Investing in securities involves risk of loss that customers should be prepared to bear. Different types of investments involve varying degrees of risk and there can be no assurance that any specific investment or investment strategy will be profitable for a customer’s investment portfolio.

SCORE PRIORITY

Past performance is not indicative of future results. A customer should not assume that the future performance of any specific investment, investment strategy, or product will be profitable or equal to past or current performance levels. We cannot assure that the investment objectives of any client will be realized. For additional product-specific risks, customers should review their prospectus, offering document, or similar materials and consider them carefully prior to making an investment decision.
